Letter No.C.3770/42-43 dated 30th March 1943, from the Deputy Commissioner, Mysore, to the Revenue Commissioner & Civil Representative.

I write to state that I personally inspected the marginally noted survey numbers of Mysore taluk in company with the I.M.S. Officer attached to the Madras circle, Bangalore yesterday. Both these survey numbers are gomal lands situated at a distance of about 6 miles from Mysore City just by the side of the Mysore-Heggadadevankote road. An extent of 344 acres and 35 guntas S.No.40 Chowdahalli. of land (85 acres and 34 guntas in S.No.40 of Chowdahalli and 259 acres and 1 gunta in S.No.148 of Kalavadi) is available for Military camping purposes. There is a small stream known as "Yenne Hole" closeby which may be used for ~~purpos~~ purposes of drinking water.

I understand from the Sub Division Officer, Mysore, and the Health officer that cholera is prevailing in Inam Udhoor villages which is at a distance of about 2 miles from these lands.

A sketch showing the portion of the proposed lands is also enclosed for kind perusal.
